

Lexington Blueberry Festival

2006 Limited-Edition Commemorative Pottery

This beautiful limited-edition stoneware jar measures 5-1/8" tall and 4-7/8" in diameter. It features the Lexington Blueberry Festival name on one side and the year on the opposite side, both in a beautiful "fired in the glaze" blueberry color. These attractive one-quart jars are functional, as well as being decorative and highly collectable. Only a very limited quantity will be produced and **availability is strictly on a first come, first served basis.** *So be sure to order yours today!*

All proceeds go to offset the expenses of the annual Lexington Blueberry Festival.
